## **Leadership Camp**

**BILLINGS FAMILY YMCA**

**June 5 - August 18, 2017**

The Billings Family YMCA Leadership Camp provides young adults the skills it takes to be a great leader, and then provide them with real opportunities to practice those skills through YMCA summer camp programs. Participants engage in a series of hands-on challenges designed to teach the skills and mindset of exceptional leadership. Campers develop their leadership skills through teambuilding activities, and the planning and execution of programs for the younger campers under the guidance of the YMCA Staff. Leadership campers leave camp with a greater understanding of the leaders they can be. At camp, they participate in traditional camp activities in addition to weekly challenges specialized to build their leadership potential.
